## Springfield 36 IPI Control

Komfort Kontrol Remote

# KOMFORT KONTROL

The Komfort Kontrol remote gives you the ability to bring comfort and green technology all together into your home. With the Komfort Kontrol remote, all you have to do is decide a comfortable set point temperature on your remote, and when the room temperature gets closer to the point you desire, the Komfort Kontrol remote will turn the flames down accordingly! With our zone heating, you can save energy and enjoy time in the room you use the most by just turning down the central heat, setting your Komfort Kontrol remote, and enjoying your time around the fireplace with friends, family or just a good book! That way, you'll get to have heat where and when you need it while saving energy and money with just a click of the Komfort Kontrol remote!
