2023 Grilling Catalog

## Our Passion Lies Within Our People

**Our dedication to build the very best in quality performance grills reflects the exceptional team behind the brand.** Our story began in 1906, with a vision of quality and desire for excellence. With a focus on the grilling industry for the past 35 years, our brand family strives for performance, durability and creating great grilling experiences for our customers.

Our passion has always been to build lasting relationships with our customers by providing quality products backed with great service.

With manufacturing facilities in Huntington, Indiana; Dickson, Tennessee; and Waterloo, Ontario, we are able to design, manufacture and distribute North American-made grills in over 30 countries.

We are a family that loves to grill and it shows in every barbecue we build here in North America.

Our vision is plain and simple: **Great Barbecues Every Time.**

As Broil King® continues to be a family-owned and operated company, we hope that you are as proud to own a Broil King® as we are to make them.

# The Flav-R-Wave™ Cooking System Infuses Great Flavor into Your Food

The stainless steel Flav-R-Wave™ cooking system provides superior heat distribution across the entire surface of the grill while protecting the burners. Drippings that fall onto the Flav-R-Wave™ are instantly vaporized. Vapor created through this process infuses into your food for unmistakable barbecue flavor.

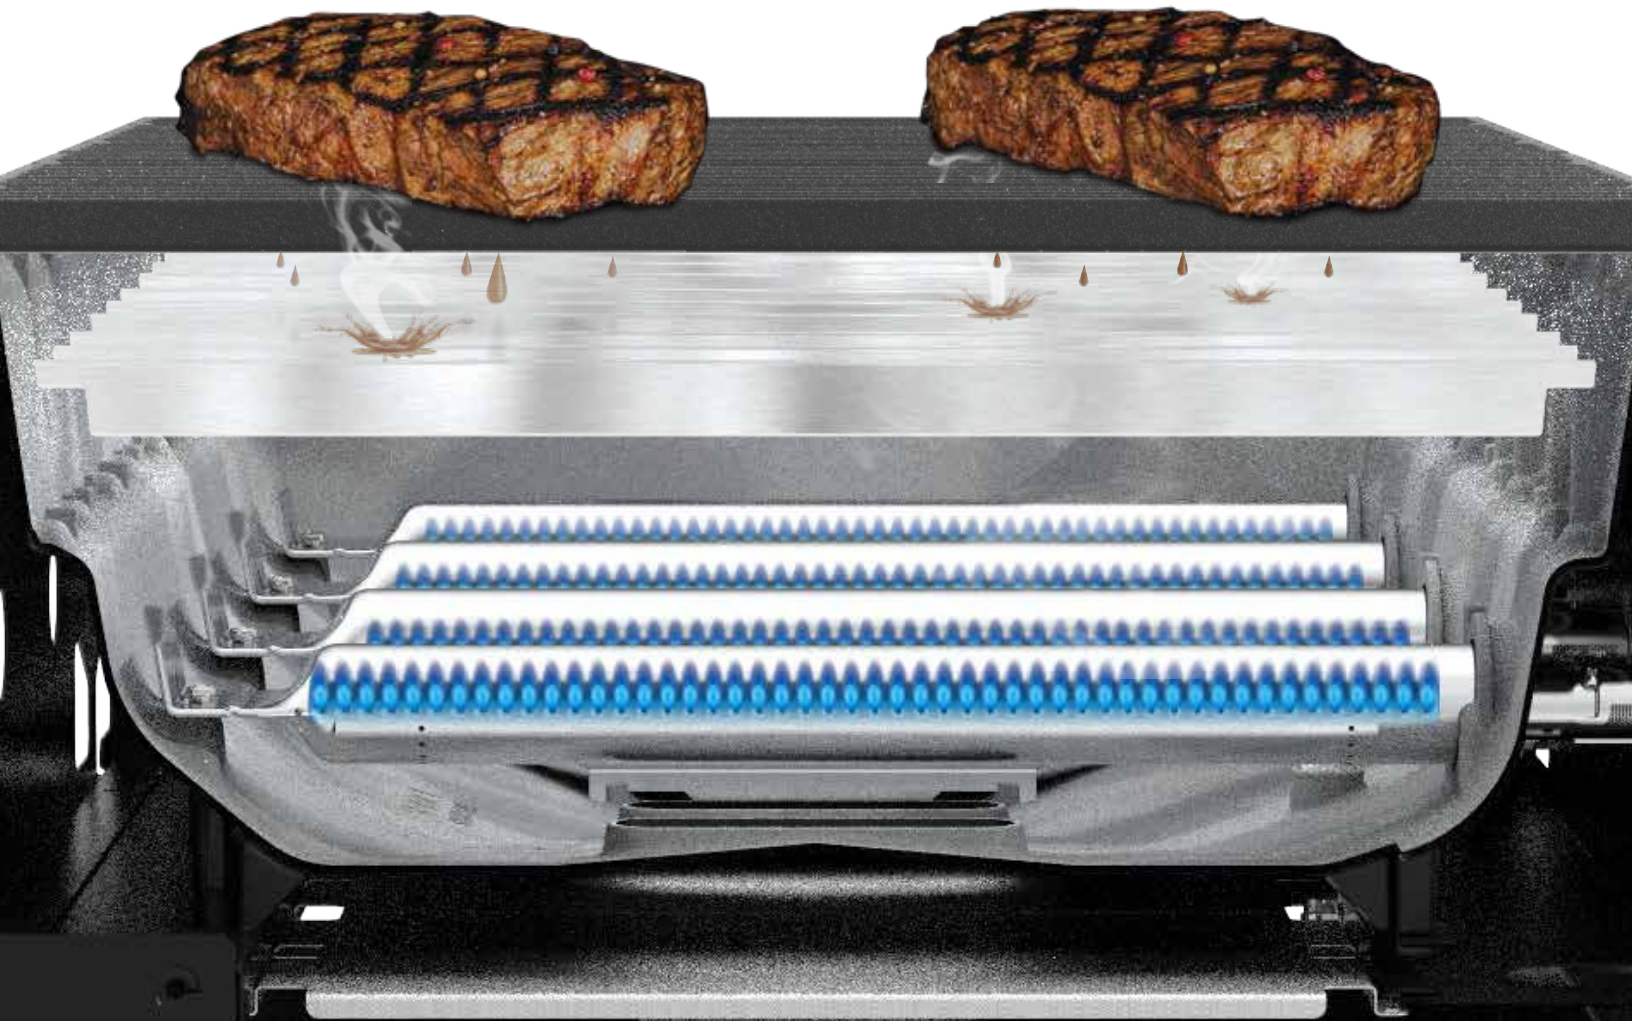

## **GREAT BARBECUE FLAVOR**

Vaporized juices infuse into your food

## **EVEN HEAT DISTRIBUTION**

Covers the entire cookbox area

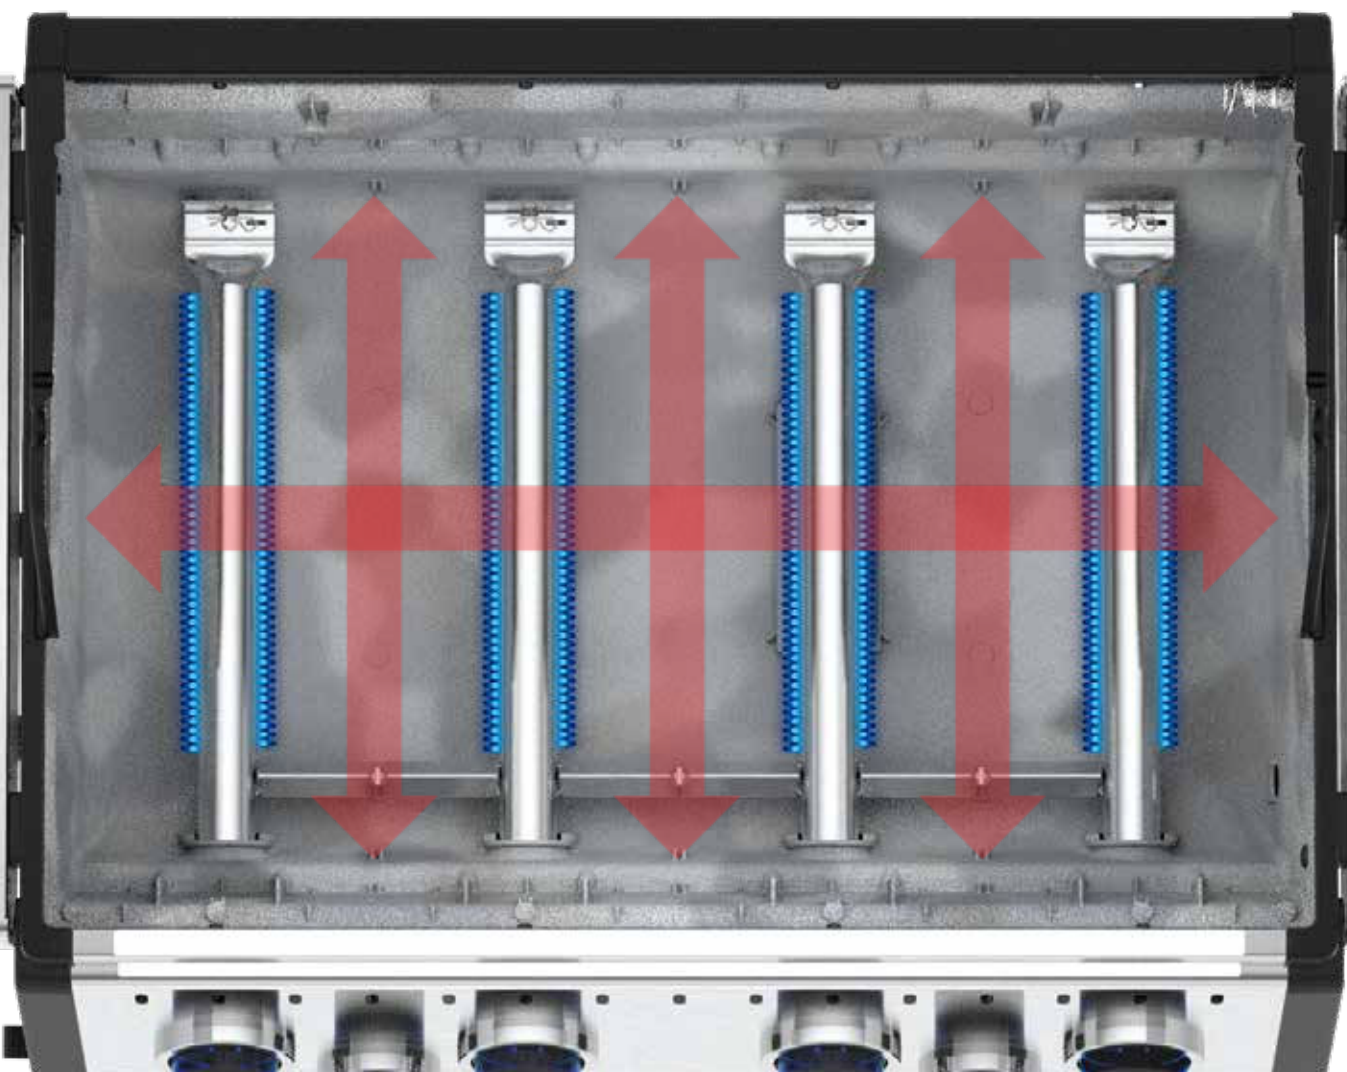

## Patented Dual-Tube™ Burners Means Twice the Flame for Twice the Performance

Broil King's patented Dual-Tube™ burners are made from high quality, heavy-duty stainless steel. These large diameter, tube-in-tube side-ported burners provide even heat distribution (front to back and side to side) with two rows of flame per burner.

### 2 ROWS OF FLAME PER BURNER

Even heat ~ front to back and side to side

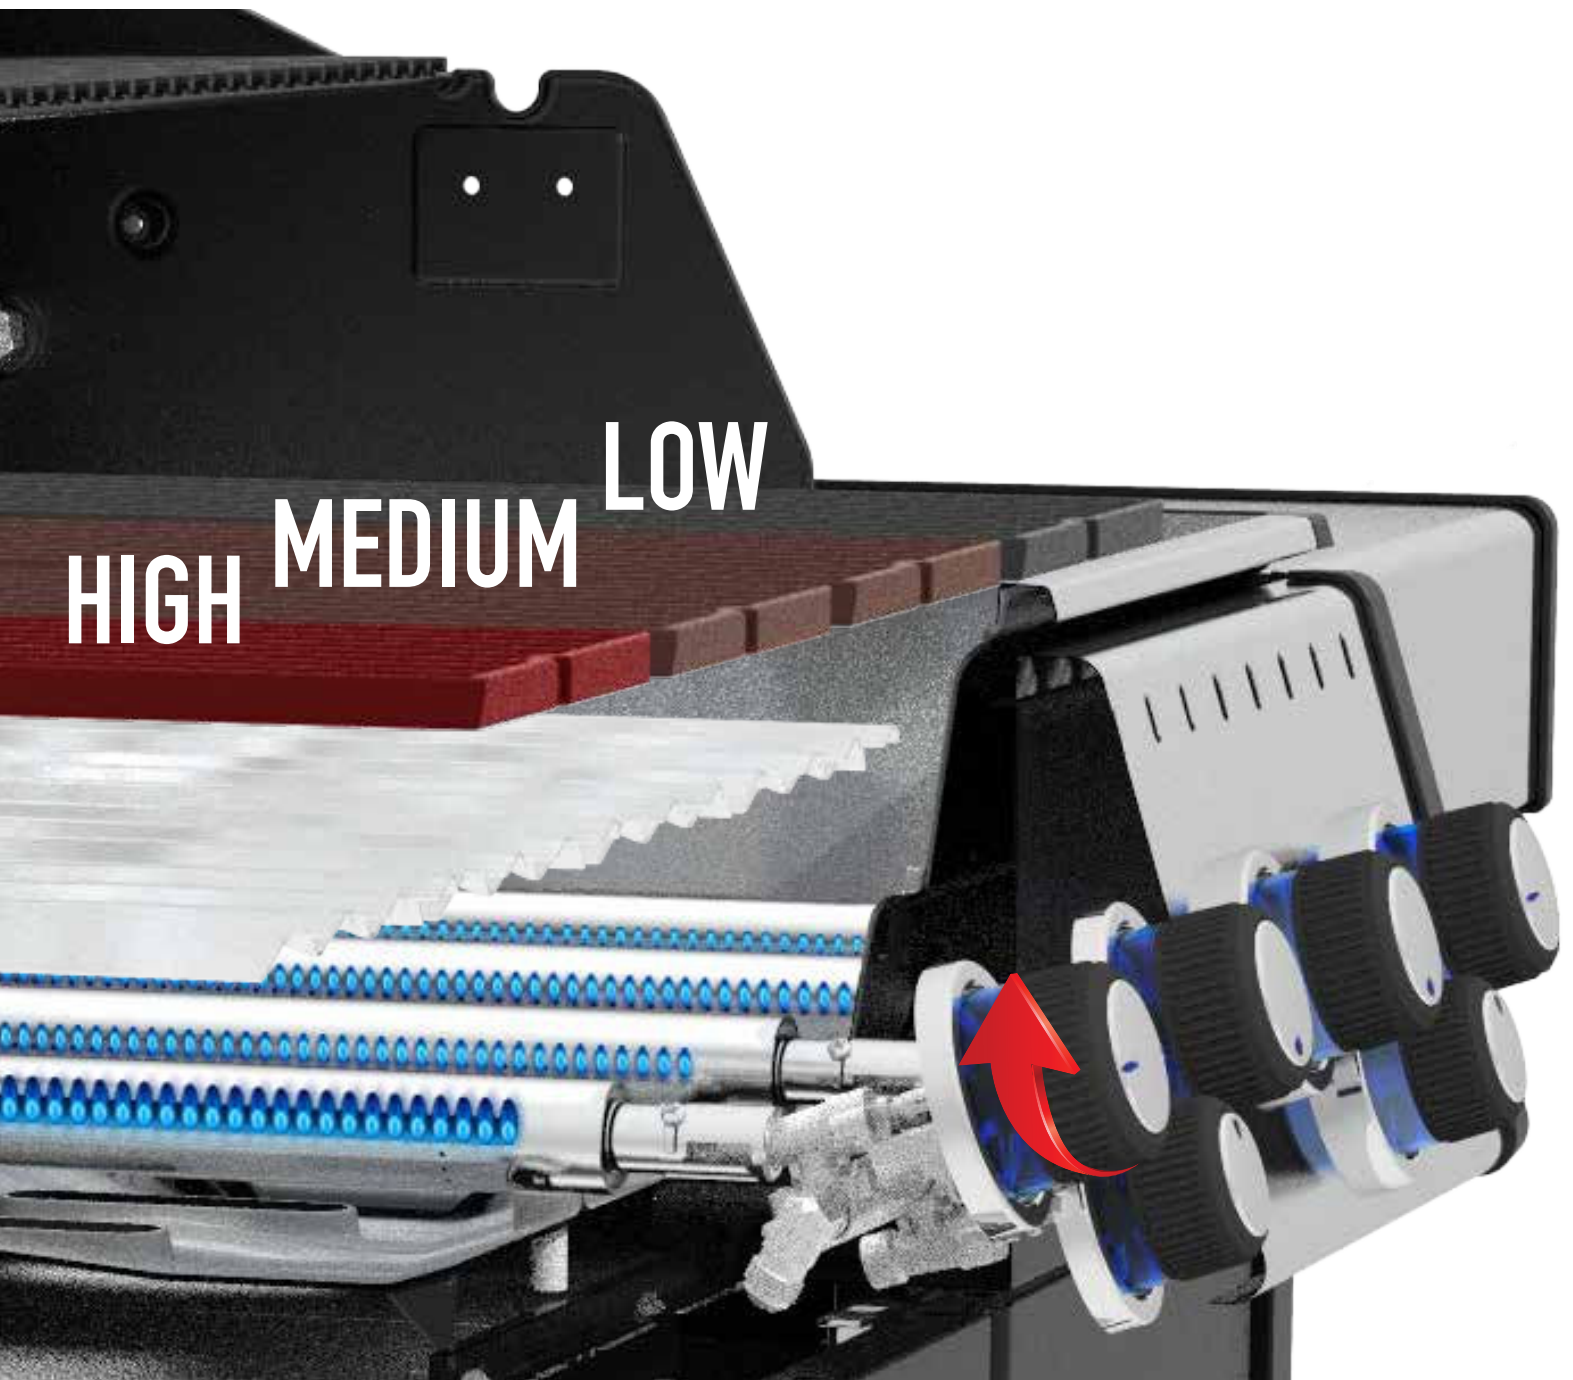

## 180 Degrees of Temperature Control for Perfect Grilling Results

Linear-Flow™ valves with 180 degree control knobs give you infinite heat control allowing you to set your grill to the perfect temperature for searing, roasting, or slow cooking.

# IMPERIAL™

**Finally a smarter choice for grilling centers.** Broil King® gives you a new level of flexibility with the unique modular pod system. Broil King's Imperial™ series is a match of performance and luxury designed for the professional outdoor chef. These premium grills come equipped with standout features like commercial-grade cast stainless steel cooking grids, a double-wall stainless steel cookbox and patented stainless steel Dual-Tube™ burners. Crafted with durable North American 304 grade stainless steel, the exterior is inspired by professional cooking appliances. Light up the night with back-lit control knobs and oven lights to instantly create the perfect ambiance at your next get-together.
