UMBRELLAS

The perfect finishing touch to every outdoor scene, our Umbrella Collection features high-quality outdoor materials, cantilever and classic styles, plus the option of in-pool or on-deck use.

CORROSION RESISTANT

Commercial-grade metals and easy-to-clean fabrics couple with durable construction to create a 3-piece combo that resists rust, tarnish, and corrosion.

STURDY WIND RATINGS

Safety first, last, and always, that's why our Umbrella Collection has been rigorously tested to withstand high-winds like those experienced in rooftop environments.

WEATHER ENDURING

Made of solid, sturdy, high-density resin that withstands the sun, wind, and harshest elements of any outdoor environment.

MADE IN THE USA

From concept to design to manufacturing, every Ledge product is made with pride in the United States of America.

IN-POOL

In-pool furniture designed and crafted by pool builders and outdoor design specialists. This furniture has pioneered an industry and has stood the test of time.

UV20 RATED RESIN

Tested to endure 20,000 hours of direct sunlight while also withstanding the damaging effects of pool chemicals, chlorine, sand, and saltwater for 10+ years of fade resistance.

COMMERCIAL GRADE

This furniture can be seen in the most high-end resorts around the world. That's because we only use materials suitable for commercial environments.

COMPATIBLE IN ALL POOLS

From the most gritty of gunite to the most decorative of vinyl liners, all pools are compatible. This includes fiberglass, vinyl, or concrete.

MADE IN THE USA

From concept to design to manufacturing, every Ledge product is made with pride in the United States of America.

LAZE®

The most stylish, durable, and well-recognized pool floats. Your clients will thank you for years. Made with premium marine-grade fabrics and moisture resistant foam beads, Laze products offer a luxurious escape.

FAST DRY FABRICS

Features a breathable mesh with our EZ-Dri and EZ-Clean technology to prevent deterioration and simplify care.

LOW MAINTENANCE

The Laze collection uses easy-to-clean, high-quality materials that not only withstand the elements, but everyday wear and tear too.

HANDMADE IN THE USA

From concept to design to manufacturing, every Ledge product is made with pride in the United States of America.

VERSATILE USE

Can be used in the pool, on the lake, at the beach, on the patio or turf, or anywhere else laze-ing happens.

GAMES

Upgrade the stats of your next project with outdoor games. Crafted with the same high-quality outdoor materials as our furniture, they'll endure even the toughest competition.

WEATHER ENDURING

Made of solid, sturdy, high-density resin that withstands the sun, wind, and harshest elements of any outdoor environment.

NO SPLINTERS, NO WARPING

Stronger than wood and invulnerable to rust and corrosion, our high-density resin will retain its form after years of rugged use.

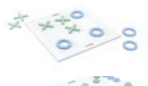

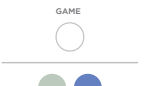

CUSTOM COORDINATING LOOKS

All of our games come standard in matching colors for a stylish scene. Select games may also be customized with unique color combinations and engraving options.

MADE IN THE USA

From concept to design to manufacturing, every Ledge product is made with pride in the United States of America.

IN YOUR PROJECTS TO INSPIRE YOUR CUSTOMERS

Before you can bring the beautiful backyard you have in mind into the world, you've got to get your customers to envision it as well. With 3D imagery, you can share your design concepts with your customers. Here's how:

1. DOWNLOAD THE CAD FILES OF LEDGE PRODUCTS

CAD files can be found in the downloads section of each product on our product resources page: ledgeloungers.com/cad

2. UPLOAD THE FILES INTO YOUR PREFERRED DESIGN SOFTWARE

Once added, our products will be available for any designs you create on the program

3. INSPIRE YOUR CUSTOMERS TO SEE ALL THE POSSIBILITIES FOR THEIR OUTDOOR SPACE

TRADITIONAL UMBRELLA COMPATIBILITY MATRIX

Pairing an Essential, Premier, or Element umbrella with a side table or base that best suits your space is a breeze.

- TABLE USE:** Indicates the base is suitable for use beneath a table. It is not recommended as a free-standing base option.
- FREE-STANDING:** Indicates the base is recommended as a free-standing option, but also suitable for use beneath a table if the table provides enough clearance to safely sit above the base on a flat surface. 18" stems should always be used when in this application.
- 1.5"/38MM STEM + ADAPTER:** Indicates the base can accommodate a 1.5"/38mm diameter pole and adapter.
- 2"/50MM STEM:** Indicates the base can accommodate a 2"/50 diameter pole.

NOTE: 18" stems are recommended for free-standing applications. Ledge Lounger will not recommend a free-standing application with a shorter stem. If using your umbrella in a vinyl pool, please notify your sales representative.
